

Human Resources update from the State of Michigan

We will have the pleasure and honor of Representative Matt Lori (59th District Representative) and Economic Development representative Tom Tarleton speaking at our December gathering. Both gentlemen will provide us with updates on what is happening in Lansing from their perspectives.

Matt will also provide us with some insight on how we can best work with him and his office. This will be an opportunity to learn how we can best communicate our concerns and appreciation for work being done on behalf of our community and our workplace.

Tom will provide us with an update on how his office can support our businesses and the issues we face from day to day.

Small business owner, general manager, human resources professional or whatever your role, join us for this great opportunity to hear from Lansing.

Tuesday December 8, 2009
